This is Amazing Grace

Who breaks the power of sin and darkness?
Whose love is mighty and so much stronger?
The King of Glory, the King above all kings?
Who shakes the whole earth with holy thunder?
Who leaves us breathless in awe and wonder?
The King of Glory, the King above all kings

This is amazing grace, this is unfailing love
That You would take my place, that You would bear my cross
You laid down Your life that I would be set free
Jesus I sing for all that You've done for me

Who brings our chaos back into order?
Who makes the orphan a son and daughter
The King of Glory, the King above all kings
Who rules the nations with truth and justice
Shines like the sun in all of its brilliance
The King of Glory, the King above all kings

Worthy is the Lamb who was slain
Worthy is the King who conquered the grave

One Thing Remains

Higher than the mountains that I face
Stronger than the power of the grave
Constant in the trial and the change
This one thing remains this one thing remains

Your love never fails, it never gives up, never walks out on me (3x)
Your love

Because on and on and on and on it goes
It overwhelms and satisfies my soul
And I never ever have to be afraid, this one thing remains

In death, in life, I'm confident and covered by
The power of Your great love
My debt is paid, there's nothing that can separate my heart
From Your great love

Your Grace Finds Me

It's there in the newborn cry, there in the light of every sunrise
There in the shadows of this light, Your great grace
It's there on the mountaintop, there in the everyday and the mundane
There in the sorrow and the dancing, Your great grace, oh such grace

From the creation to the cross, then from the cross into eternity
Your grace finds me, Yes Your grace finds me

It's there on a wedding day, there in the weeping by the graveside
There in the very breath we breathe, Your great grace
Same for the rich and poor, same for the saint and for the sinner
Enough for this whole wide world, Your great grace, oh such grace

From the creation to the cross, then from the cross into eternity
Your grace finds me, Yes Your grace finds me
There in the darkest night of the soul,
There in the sweetest songs of victory, Your grace finds me
Yes Your grace finds me

So I'm breathing in Your grace, and breathing out Your praise
I'm breathing in Your grace, forever I'll be.

Open Up the Heavens

We've waited for this day, we're gathered in Your Name
Calling out to You
Your glory like a fire awakening desire will burn our hearts with truth
You're the reason we're here, You're the reason we're singing

Open up the heavens, we want to see You
Open up the floodgates, the mighty river
Flowing from Your heart, feeling every part of our praise

Your presence in this place, Your glory on our face
We're looking to the sky
Descending like a cloud, You're standing with us now
Lord, unveil our eyes

Show us, show us Your glory, show us, show us Your power
Show us, show us Your glory Lord
